

SHOAIB MUSHTAQ BHAT

FULL STACK WEB DEVELOPER

Srinagar, Jammu & Kashmir 191101 | +91 9541697221 | bhatshoaibmushtaq@gmail.com

SUMMARY

I am a **Full-Stack Web Developer** with solid experience in developing and deploying modern web applications. I am proficient in **JavaScript, TypeScript, React.js, and Next.js** for front-end development, with deep expertise in **Node.js, Express.js**, and various database technologies including **MongoDB, MySQL, and PostgreSQL**. I have a proven track record of building robust **RESTful APIs** and implementing **CI/CD pipelines** using **GitHub Actions**, and **Docker**. Furthermore, I am adept at working in collaborative **Agile** environments and solving complex technical challenges through clean, type-safe code.

EXPERIENCE

Full Stack Web Developer & Team Lead

March 2025 - Present

Interface Technologies Pvt. Ltd. - Srinagar, Jammu & Kashmir

- Building scalable and secure REST APIs with Node.js/Express and managing complex databases in MongoDB, MySQL, and PostgreSQL.
- Successfully delivered high-impact applications including **ILS Imperia** (a modular enterprise suite integrating **Plasma** (Campus Management), **Adzura** (Lead Tracking), **Striker** (Examination Portal), and a scalable **E-Learning** platform.) and **Rahvaan** (a driver-tourist travel platform).
- Designed and implemented responsive, SEO-friendly front-end interfaces using React.js and Next.js.
- Optimized application performance by implementing efficient caching strategies and database query tuning.
- Streamlined development workflows by setting up automated CI/CD pipelines using GitHub Actions and containerizing services with Docker.
- Led a team through full Software Development Life Cycle (SDLC) stages, ensuring code quality and timely delivery in an Agile environment.
- Mentored junior developers on best practices for clean code, state management, and API design.
